## President Message

My dear colleagues

As we proceed towards the mid of first quarter of 2022. I feel overwhelmed by the events which have touched all of us in this year. The Covid-19 pandemic which affected all of us in 2020 and 2021 is slowly subsiding this year. All of us and are near ones and society had suffered deeply and we can only thank God to be writing and reading this newsletter. My deepest, heartfelt condolences in memory of our members who succumbed to this disease and prayers for their family members to bear the irreparable loss.

In between such events, we could somehow manage to hold our annual conference in hybrid mode in Agra in the month of July last year and the mood and attendance just showed the fight back of our members and their families. Prof MS Agrawal, Dr Anurag Yadav, Dr Vijay Bora & Team Agra Urology Association deserve a standing ovation for their impressive arrangements. We had our USI President Dr C Mallikarjuna, President NZUSI Dr Rawal and a galaxy of distinguished senior members gracing the occasion.

**The spirit and take-home message was "we shall fight back and win".**

One silver lining to the pandemic has been a new discovery of non physical interaction, especially academic activities. Taking this forward, we had successful online transmission of academic activities of 4 teaching institutes of UP, namely SGPGI, KGMC, BHU and RML. The format decided is that each month, each institute will have one of its teaching programme relayed online on social media. The link is shared and UAU members, residents and faculties of other institutes as well as anybody from any zone or USI member can join the programme.

I am happy to share that till now (February 22), we have had 4 online sessions and they have been very well appreciated by everybody. Hope to improve the format and participation as we move forward. Suggestions in this regard are welcome.

As the number of urology residents passing out each year increases, the penetration in smaller cities and towns increase. Practice in smaller cities have their own challenges and it is suggested to have active & vibrant City Clubs, so that local handling of such issues can be taken up in a combined & coordinated manner and the working of urologists is smoothened out. UAU as a parent body would encourage and help such City Clubs.

As I conclude, I am sure that we shall have physical meet in Gorakhpur in the next month March 2022 so that the previous interactions and bonhomie is restored and the charm of physical conference comes back in all its glory.

Long live UAU

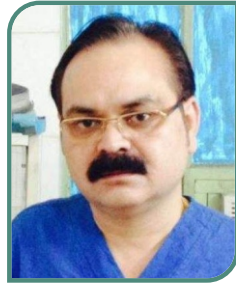

JAI HIND

## Hon Secretary's Message

Dear Members

Trust that you and your family are safe and vaccinated with booster shots in these testing times.

As medical professionals we had been the most vulnerable, but we have managed and overcome this situation, with our utmost priority - the health and well-being of our entire community, and our service towards our patients. I request everyone to keep ensuring the necessary precautions for the safety and health of everyone involved, as the danger is still not over yet.

The Society membership which stands at over 240 and is made up of practitioners of urology is testimony to the Society's role as an organization that is representative of urologists in our state. To this end, we have endeavoured to introduce new activities and utilized newer technology and tools to enhance the interaction between the membership and the leadership. I urge all those urologists and also budding residents, who are still not members to join U P Association of Urology.

It is important to update your contact details as and when they happen so that emails from the Society do not bounce and you are kept informed of the latest developments in the Society. I want to remind all members (who have not yet done so) to obtain their Username and Password to access their personal details on the UAU website [www.uauonline.in](http://www.uauonline.in) database. This assumes added urgency as the Newsletter is published and sent to only those members whose email addresses are available with us.

Last but not the least, I wish to thank the members of the Society for giving me the opportunity to serve as the Secretary of the Society for the last two years. I also want to take this opportunity to thank all the members of the Society for cooperating with me in my efforts to enhance the working at my office as a secretary for the past 2 years and earlier as treasurer for the past 4 years. I am especially grateful to all the members of the Executive Committee for their assistance and support.

Our office is functional and will be working continuously to serve our members. Members can also write to me on [vijaybora@gmail.com](mailto:vijaybora@gmail.com) or call me on 9837008839 for any matters.

Thank you and God bless our Society.

Long live UAU

With best regards

**Dr Vijay Bora**

## INVITATION

Dear Colleague,

It is a matter of proud privilege for us to hold the annual conference of the Urological Association of Uttar Pradesh in the month of March 2022. The members of the organizing committee have great pleasure in extending a warm and cordial invitation to you for this academic feast.

We plan to give you a memorable experience, catered by a galaxy of medical faculty, renowned surgeons and eminent speakers of national and international repute. An interesting & stimulating scientific program is being planned to cater to almost all disciplines of urology including the most sophisticated surgeries in our field. The program includes a semi-live surgery session followed by debates, How do i do it & complications sessions.

The venue of the conference is the magnificent 5 star hotel, Hotel Radisson Blu, designed with excellence, blended with art and tradition.

Looking forward to welcome you in Gorakhpur, a city known to be the home of many Buddhist sites and the Gorakhnath Temple.
